

## BF Series Thick Walled Poles

Extra thick walled fiberglass pole provides increased stiffness where extreme rigidity is required.

The BF steel ferrules feature an interior button in the male ferrule that interchanges with other manufacturers' interior button lock poles and accessories.

The BF/FG Extension Pole has the benefits of a BF pole while accommodating Jameson style poles, pruners, sawheads and accessories.

**Thick Walled  
1.25" Pole Diameter  
.175" Wall Thickness**

Extension Pole

BF/FG Extension Pole

Female Base Pole

Male Base Pole

Pole	Ferrules	Usage	3'	6'	8'	10'
Extension Pole	Female BF Ferrule & Male BF Ferrule	Use as a base or to extend a base pole	BF-3	BF-6	BF-8	BF-10
BF/FG Extension Pole	Female FG Ferrule & Male BF Ferrule	Use to extend a BF base; will accommodate all Jameson heads, FG adapters and ferrules	BF-3FGBF	BF-6FGBF	BF-8FGBF	BF-10FGBF
Female Base Pole	Female BF Ferrule & Base Cap	Accommodates other manufacturers' interior button lock poles and accessories	BF-3F	BF-6F	BF-8F	BF-10F
Male Base Pole	Male BF Ferrule & Base Cap	Accommodates Jameson WR-2 Wire & Limb Raiser	BF-3FM	BF-6FM	BF-8FM	BF-10FM

*Steel BF ferrules with internal push button lock*

## Inductive Head Poles

### The safe, efficient way to test out-of-reach cables

Fiberglass foam filled pole has an Inductive Head Clamp Adapter permanently mounted to one end and a male ferrule at the other end.

The pole and adapter allow for convenient use of an Inductive Head Clamp in manholes or on poles. Access cables without climbing a pole or exhausting a manhole. Foam core prevents moisture build-up inside the pole and adds extra hoop strength and rigidity.

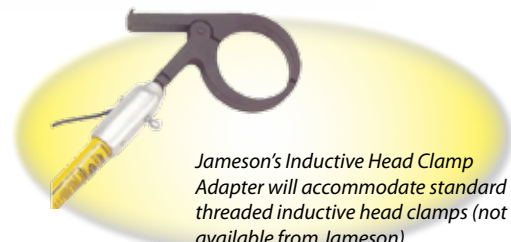

Standard 1/4-20 male thread accommodates most manufacturers' induction head clamps.

**Removable Inductive Head Clamp Adapter**  
Connects to Jameson Extension Pole

Inductive Head Poles	Part Number
4' Inductive Head Pole	FG-4MC
6' Inductive Head Pole	FG-6MC
8' Inductive Head Pole	FG-8MC
10' Inductive Head Pole	FG-10MC
Removable Inductive Head Clamp Adapter	IHA-2

*Jameson's Inductive Head Clamp Adapter will accommodate standard threaded inductive head clamps (not available from Jameson).*
