Pole Storage Bag	B-6V

Pole Accessories

Wire & Limb Raiser

Plated steel wire raiser is designed for placing cable on rollers, construction blocks and hardware. Conveniently pulls or lifts branches away from lines. Snaps into Jameson pole without an adapter.

Cable Lifter

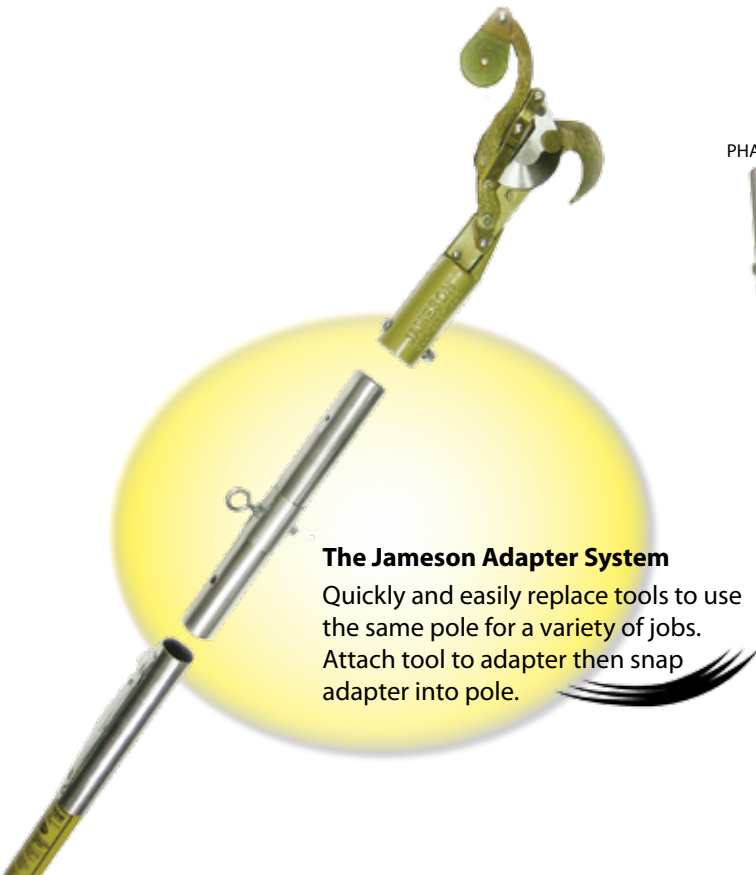

Aluminum alloy Cable Lifter lifts copper, fiber optic and coaxial cable. Use it to place cable on rollers, construction blocks and hardware. Snaps into Jameson pole without an adapter.

Pike Pole Spear

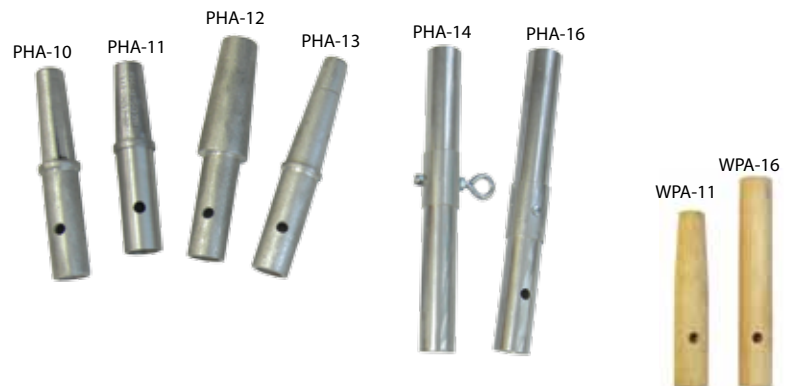

Allows you to convert the FG or JE Pole into a tool for plumbing up and testing utility poles.

Pole Adapters

The Jameson Adapter System

Quickly and easily replace tools to use the same pole for a variety of jobs. Attach tool to adapter then snap adapter into pole.
